

# A Dog's Staycation

By Ethan Kapoor

[Setting: A cozy living room with a plush couch, a dog bed, and a large window]

[Character: Max, a playful golden retriever, lying on his bed, staring out the window]

Max: [Speaking to himself in a dog's internal monologue]

The humans have been acting strange lately. They keep talking about something called a "vacation". I don't know what that means, but I hope it involves lots of treats and belly rubs.

[Max stands up, wagging his tail as he approaches the window, his nose pressing against the glass.]

Hmm, looks like it's going to be another sunny day. Perfect for digging up some treasures in the backyard.

[Max's ears perk up as he notices a squirrel running across the lawn.]

Squirrel! Squirrel! I must protect the house from this furry intruder!

[Max starts barking excitedly, his tail wagging furiously, as he watches the squirrel scurry up a nearby tree. After a moment, he loses interest and turns his attention back to the living room.]

Now, where did I bury that squeaky toy? Ah, there it is!

[Max grabs his squeaky toy and starts tossing it around, pouncing on it with glee.]

Life is good. The humans may have their "vacation", but I have my toys and my territory to protect. Who needs a vacation when you're a dog? Every day is a vacation!

[Max's ears perk up as he hears the sound of the front door opening. His tail wags even faster as he sees his favorite human, Sarah, walk in, carrying a bag.]

Sarah: [Smiling at Max.] Hey, buddy! Did you miss me?

[Max barks happily, running over to Sarah and jumping up to greet her.]

Max: Woof! Woof! Woof!

Sarah: [Laughing, patting Max's head.] I missed you too, Max. Guess what? I brought you a special treat.

[Max's eyes light up as Sarah takes out a chew toy from the bag.]

Max: [Excitedly.] Oh boy, oh boy! A new toy! Thank you, thank you, thank you!

[Max grabs the chew toy, wagging his tail so hard it's a blur. Sarah watches, her heart melting at the sight of Max's joy.]

Sarah: You're welcome, buddy. Now, let's play!

[Max and Sarah spend the rest of the afternoon playing fetch and enjoying each other's company. For Max, there's no such thing as a bad day when he has Sarah and his toys. Life is simple and beautiful, just the way he likes it.]
